

## SPRING AND FALL CLEANUP

To keep your cemetery beautiful, safe, and current, we perform a cemetery wide cleanup each spring and fall. During these designated cleanup periods, we remove any lot decorations, artificial flowers, borders, ornaments, wrought iron fencing etc. If you wish to save an item, please remove it before the designated dates as it will be removed by staff for **DISPOSAL**.

Once we have cleaned in your block you may replace items that are in season and comply with the cemetery bylaws for that block.

Actual cleanup dates are yet to be determined, please watch for signs at our gates. You may also sign up to receive our newsletter which will keep you informed of important dates and upcoming events.
