Foundations are calculated at \$32.00 per cubic foot.

Minimum foundation charge is \$680.00 based on a 34 x 20 foundation regardless of base size.

Foundations are poured on a prepaid basis only. Family **MUST** enter into a contract through our office.

When calculating sizes not shown here add a 3" border all around the size of the base

This chart is calculated/estimated for your convenience.

Foundation removal is charged at twice the cost of installation

Calculate marker installation charges at \$0.58 per square inch. Include any borders in your calculation.

Granite markers may not have concrete borders except for continuity on a lot.

All markers are set at lawn level.

Minimum setting charge for markers is 258.00. Foot markers 141.00. Cornerstones 200.00 per set of 2.

To calculate a foundation:

Multiply length x width

Divide by 144 to find sq. feet

Multiply by depth of 4.5

Multiply cubic foot x cost per cubic foot

Marker removal is half the cost of installation unless an old, large concrete foundation is attached, then we will quote on inspection. All prices are subject to HST.

**If you are calculating Care & Maintenance, please be sure to add HST.**

**PLEASE NOTE:**

Final foundation pour takes place on or about November 1.

First pour takes place when ground conditions are considered practical by Woodlawn Staff.

Please plan your orders accordingly.

Foundation/installation orders must be paid in full before they will be scheduled and/or poured.

Foundations are poured dependent on numbers, location and weather conditions and at the discretion of the grounds superintendent.
