

SPRING AND FALL CLEANUP WEEK

To keep your cemetery beautiful, safe, and current, we perform a cemetery wide cleanup each spring and fall. During these designated cleanup periods, we remove any lot decorations, artificial flowers, borders, ornaments, etc. If you wish to save an item, please remove it **before** the designated dates as it will be removed by staff for **DISPOSAL**.

Once we have cleaned in your block you may replace items that are in season and comply with the cemetery bylaws for that block.

Signs will be posted at our gates to remind you of the cleanup week. You may also sign up to receive our newsletter which will keep you informed of important dates and upcoming events.
