Flowerbeds are allowed only on graves with upright memorials. A foundation must be in place before a bed can be cut out. Orders for items 3 & 4 will not be accepted after the last Friday in May. Please note if you plant the flowers you must maintain the bed.

Artificial edging, rocks and fencing around lots or flowerbeds are PROHIBITED. Flowerbeds may project fifteen inches from the front of the monument and be the length of the base. We will not be responsible for spray damage on any flowers plated before June 1. We plant private flowerbeds after June 1 and maintain until the end of August. We are not responsible for animal or insect interference. Spring and Fall Cleanups take place every year (watch for signs!). Please remove your decorations including all artificial flowers, borders, fencing and personal items. Please help keep your cemetery tidy and current.
