Foundations are calculated at \$34.50 per cubic foot.

Foundations are poured on a prepaid basis only. Family **MUST** enter into a contract through our office.

When calculating sizes not shown here add a 1" border all around the size of the base

This chart is calculated/estimated for your convenience. Any other size not listed can be calculated

Foundation removal is charged at twice the cost of installation

To calculate a foundation:            Multiply length x width  
   Divide by 144 to find sq. feet  
   Multiply by depth of 4.5  
   Multiply cubic foot x cost per cubic foot

See pricelist for marker installation fees

Granite markers may not have concrete borders except for continuity on a lot.

All markers are set at lawn level.

Minimum setting charge for markers is 275.00. Foot markers 150.00. Cornerstones 225.00 per set of 2.

Marker removal is half the cost of installation unless an old, large concrete foundation is attached, then we will quote on inspection. All prices are subject to HST.

**Care & Maintenance is a separate fee and subject to HST. Note as per the FBCSA C&M will be increased starting Jan. 1, 2022**

**PLEASE NOTE:**

Final foundation pour takes place on or about November 1.

First pour takes place when ground conditions are considered practical by Woodlawn Staff.

Please plan your orders accordingly.

Foundation/installation orders must be paid in full before they will be scheduled and/or poured.

Foundations are poured dependent on numbers, location and weather conditions and at the discretion of the General Manager

**All families are required to apply for any form of memorialization through our office to ensure appropriate permission has been obtained.**
