Please note:

Should a death occur before a pre-need Interment Rights contract is paid in full, the contract must be paid in full prior to an interment taking place or installation of a memorial.

If a pre-need Interment Rights contract is cancelled after 30 days while payments are being made, the purchaser will be refunded all monies deposited with the exception of the administration fee, the percentage placed in the care and maintenance trust fund and applicable HST. The purchaser will receive back any remaining post-dated cheques or a cancellation notice of pre-authorized payments.

For services and supplies that are being arranged pre-need, you may pay for the services and supplies at today's price and we will place your money in a trust fund, where it will accrue interest until the prepaid contract is fulfilled (when the services and supplies are delivered).

Pre-payment can be made by Cash, Cheque, Debit Card, Visa, MasterCard or American Express. Funds are held in the purchaser's name.

Guarantee: When paid in full in accordance with the payment terms set out in the prepaid contract, the prepaid contract is guaranteed. The total payment(s) made plus interest / growth earned will be applied to the future price of the services and supplies. If the total payment(s) plus interest / growth earned are insufficient to cover the total future price of the prepaid services and supplies, the cemetery will absorb the difference as a loss. Any funds in excess of the total future price of the prepaid services and supplies will be returned or applied toward additional services, supplies and disbursements purchased at the time of need, as applicable. Conditions apply. Any changes to the prepaid contract may result in the prepaid contract being null and void and a new contract being executed with current pricing at the time changes are made.

MEMORIALIZATION

Memorialization in granite requires a 60% deposit upon contract signing and remaining 40% due upon installation (interest charges will apply after 30 days).

Memorialization in bronze requires a 50% deposit upon contract signing, and remaining balance due prior to installation.

Inscription orders are to be paid for in full upon contract signing.

GENERAL

Overdue payment will be subject to 2% interest charges monthly. Any NSF payments will be subject to a fee.

Where more than one purchaser signs a contract, each purchaser acknowledges they are jointly and severally liable for the total amount that becomes payable under that contract.
