PAYMENT, FINANCING AND FUNDING

FOR SERVICES AT TIME OF DEATH

All Interment Rights and Interment Fees are to be paid in full before an interment can be carried out.

Financial assistance for burial services is available through various governmental agencies, to those who qualify. Approval must be received prior to making arrangements with the cemetery office.

Payment may be paid by Cash, Cheque, Debit Card, Visa, MasterCard or American Express accepted.

PRE-PAYMENT IN ADVANCE OF NEED

Monthly payments are permitted for pre-need Interment Rights contracts only. The payment plan is interest free, for a period of 12 or 24 months. There will be an administration fee of \$150.00 for the 12-month period or \$300.00 for the 24-month period. Payments will be divided evenly between each month, in which post-dated monthly cheques or pre-authorized payments will be required.

The first monthly payment is due upon signing of the contract plus the administration fee and HST.

Please note:

Should a death occur before a pre-need Interment Rights contract is paid in full, the contract must be paid in full prior to an interment taking place or installation of a memorial.

If a pre-need Interment Rights contract is cancelled after 30 days while payments are being made, the purchaser will be refunded all monies deposited with the exception of the administration fee, the percentage placed in the care and maintenance trust fund and applicable HST. The purchaser will receive back any remaining post-dated cheques or a cancellation notice of pre-authorized payments.

For services and supplies that are being arranged pre-need, you may pay for the services and supplies at today's price and we will place your money in a trust fund, where it will accrue interest until the prepaid

contract is fulfilled (when the services and supplies are delivered).

Pre-payment can be made by Cash, Cheque, Debit Card, Visa, MasterCard or American Express.

Funds are held in the purchaser's name.

Guarantee: When paid in full in accordance with the payment terms set out in the prepaid contract, the prepaid

contract is guaranteed. The total payment(s) made plus interest / growth earned will be applied to the future price of the services and supplies. If the total payment(s) plus interest / growth earned are insufficient to cover the total future price of the prepaid services and supplies, the cemetery will absorb the difference as a loss. Any funds in excess of the total future price of the prepaid services and supplies will be returned or applied toward additional services, supplies and disbursements purchased at the time of need, as applicable. Conditions apply. Any changes to the prepaid contract may result in the prepaid contract being null and void and a new contract being executed with current pricing at the time changes are made.

MEMORIALIZATION

Memorialization in granite requires a 60% deposit upon contract signing and remaining 40% due upon installation (interest charges will apply after 30 days).

Memorialization in bronze requires a 50% deposit upon contract signing, and remaining balance due prior to installation.

Inscription orders are to be paid for in full upon contract signing.

GENERAL

Overdue payment will be subject to 2% interest charges monthly. Any NSF payments will be subject to a fee.

Where more than one purchaser signs a contract, each purchaser acknowledges they are jointly and severally liable for the total amount that becomes payable under that contract.
